

Springdale First School

Science Concepts

Imagine, Believe, Achieve

Knowledge of
Enquiry Types

Knowledge of
Working
scientifically

Plan		Do	Review
Ask scientific questions Make a prediction	Plan, set up and perform an enquiry	Observe closely Take measurements Record results	Interpret the results - answer the question Draw conclusions - explain the results using knowledge Present and report findings Make a prediction (from results) Evaluate an enquiry

Knowledge of
Scientific Domains

Plants

Living things and their habitats

Animals including humans

Materials

Seasons

Energy: light and sound

Forces

Electricity
