Imagine, believe, achieve!

Monday 27th March

Here to support you with attendance are...

Mrs Lee

Mrs Samways

Mrs Burgess

Miss Budden

At Springdale First School we take attendance and punctuality very seriously. We aim to have an attendance figure above the national average. For this week, the National Average for attendance is 93.6%. Attendance data is tracked by the Department for Education and will adversely affect our Ofsted rating if it is below the required level. Our current attendance percentage is 96.5% and we can celebrate that we are +2.9% above National and very close to our school target. We categorise levels of attendance into **red**, **amber** and **green**.

GREEN - 100%. Excellent attendance above the national expected average, ideally where all children should aim to be.

AMBER - 96.7% or above. Good attendance - in line with or above national expected average.

RED - below 96.7%. Attendance below expected level. We will monitor the child's attendance and if we do not see an improvement, we will contact you by letter.

Parent Consultations

Your child's current attendance report will be shared with you at their parent consultation, this week. It will include their overall attendance figure and the number of authorised and unauthorised absences.

Please take time to read your child's attendance report and if you need to talk to a member of the Attendance Team, please email the school office.

If the number of unauthorised sessions equates to 10 or more, over the academic year, this can result in a Fixed Term Penalty Notice.

Your Child's Attendance.

We would like to take this opportunity to say THANK YOU to all of our families who consistently ensure their children's attendance and punctuality is good. Getting these important habits established early on in your child's life will make a difference to their futures. There is a proven link between attendance and achievement.
