

Our Aims:

At Springdale First School we are committed to working together as a team, with our children at the heart of everything that we do. Each child will be given every opportunity to flourish, succeed and shine and no child should ever be disadvantaged or miss out on opportunities. We believe that children need to believe in themselves as strong capable learners, we view barriers as solutions to find, and we value positive enabling partnerships with parents. These aims are embedded in our Vision Statement:

Our Vision:

I **Imagine** with all your mind
B **Believe** with all your heart
A **Achieve** with all your might

We believe that every child, at Springdale will develop a growth mindset that enables them to believe they can achieve anything they put their minds to. We want our children to become ambitious learners, who are aspirational, and take pride in all they do. Children will develop an understanding that the journey of learning can be challenging but, by developing a set of learning behaviours, they will become successful learners.

Our Learning Behaviours:

Perseverance & **P**ersistence
Reflective & **R**esourceful
Inquisitiveness & **I**ndependence
Drive & **D**etermination
Enthusiasm & **E**xcellence

We will empower your child to develop a positive growth mindset, and by building positive partnerships with parents we know your child will thrive during their time at Springdale and beyond. In order for these positive partnerships to be successful we have set out a clear home school agreement that recognises the vital part each partnership role takes.

School Rules, Expectations, and Routines

At our school, we believe that a structured and respectful environment is essential for optimal learning and personal development. Our school rules, expectations, and routines are designed to create a positive and inclusive atmosphere for all members of our school community. These are regularly communicated to pupils, parents, and staff.
