

Maths

This term, Year 1 will learn to add numbers together, using number lines, tens frames and pictorial representations. We will look at numbers up to 100 and find out how these numbers are made. We will really impress you by learning to count in 5s and 10s!

History

We will be learning all about 'The Great Fire of London'. We will look at how and why the fire started, the people that were involved and how this changed England!

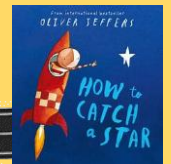

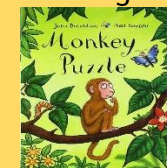

Geography

Following on from our Autumn learning about our local area Broadstone, we will now widen our learning to look at **Poole**. We will learn lots of facts about Poole, spot it on a map and think about why it is so special. We will also spot the similarities between Poole and Broadstone.

English

In English, we will begin to write short narratives such as retells and innovations. We will learn all about **question marks** and new suffixes **-er** and **-est**. We will create amazing sentences by joining two ideas together using 'and'. We can't wait to show you this new knowledge!

Science

In Science, we will continue to look at seasonal change and start new learning about materials!

Seasonal change

We will observe signs of Spring around our school!

Materials

We will learn about different types of material and their properties. We will also be working scientifically and setting up investigations!

Year 1's Spring Term!

Art

This term in Art we will focus on painting by looking the artist "**Kandinsky**". We will learn lots of facts about our artist before focusing on using **line, shape, colour** and **pattern**. to paint our own Kandinsky inspired picture.

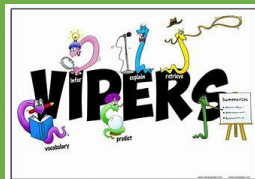

DT

This term in DT, we will look at moving pictures. We will learn how to make a picture move using a **slider** and **lever**. All this knowledge will help us to create an amazing moving picture!

Reading

Reading will be lots of fun this term. We will link our Reading to our Phonics sounds, which we are now remembering. We will use our reading VIPERS to help us engage with and discuss our amazing stories.

Jigsaw

This term our Jigsaw learning will be called "**Dreams and Goals**" and "**Healthy Me**". We will celebrate our goals and think about how we can achieve these, even when it gets tough! We will learn about healthy bodies and what choices we need to make so that our bodies are always healthy and safe.
